Architecture (Dept. BF91230)

Subject: Letter of recommendation for Victor Stommendal

Dear Sir or Madam,

I am pleased to write this letter of recommendation for Victor, who joined our EE&SW Solution Architecture team at Volvo Group Trucks Technology as a technology leaper intern (tekniksprånget) from February 2024 to June 2024.

During his internship, Victor exhibited a strong motivation to understand our products and technologies, as well as an impressive ability to navigate our complex corporate organization. He consistently demonstrated a remarkable capacity to learn quickly, take on new tasks, and collaborate effectively with various teams across the globe. His high energy and enthusiasm had a notably positive impact on our team.

In conclusion, Victor has performed exceptionally well during his five-month internship, and I highly recommend him for any engineering work or studies.

Yours sincerely,

Gilles Goumy

Manager EE Solution Architecture (BF91230)
